Window & Door Display Catalog

Getting Started...

SPECIAL NOTICE

Our display and fixture offerings are a continual work in progress. Your input and feedback fuels new designs and options. Please help us continue to innovate by communicating your ideas and suggestions.

Quote Request

Complete our “**Getting Started Form**” to begin the quote process.

URL: <https://form.jotform.com/dacproducts/getting-started>

Quantity Pricing

Interested in 5 or more of any one item? Like any manufacturer, we LOVE quantity orders. Mention your quantity needs when you connect with our Sales team. Discounts vary based on specifics on each display/fixture product and customer relationship.

Lead Times

All items featured in this catalog are made-to-order with an average lead time of 4-weeks (28 working days). Estimated lead time provided on each quote and definitive lead time provided on the sales order.

Consultations

Some display/fixture products require a collaborative effort to define what’s needed to fit your situation. These items are noted accordingly.

Showroom Layout

We can assist you in configuring, or reconfiguring, your showroom space with our displays and fixtures. This service is \$100/hour billed in 15 minute blocks at \$25 increments.

Sample Sizing

All sample frame unit sizes should be a 1/4” less in width and height than the opening sizes shown in renderings, and listed on documents.

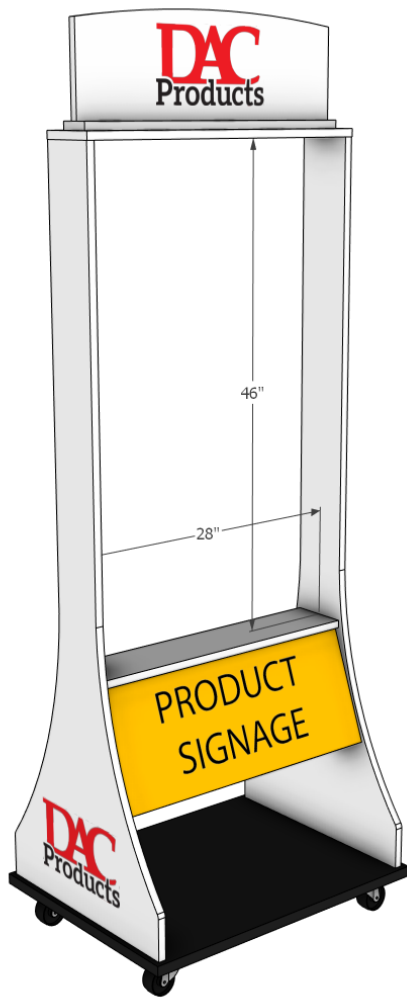

Catalog & Inventory Programs

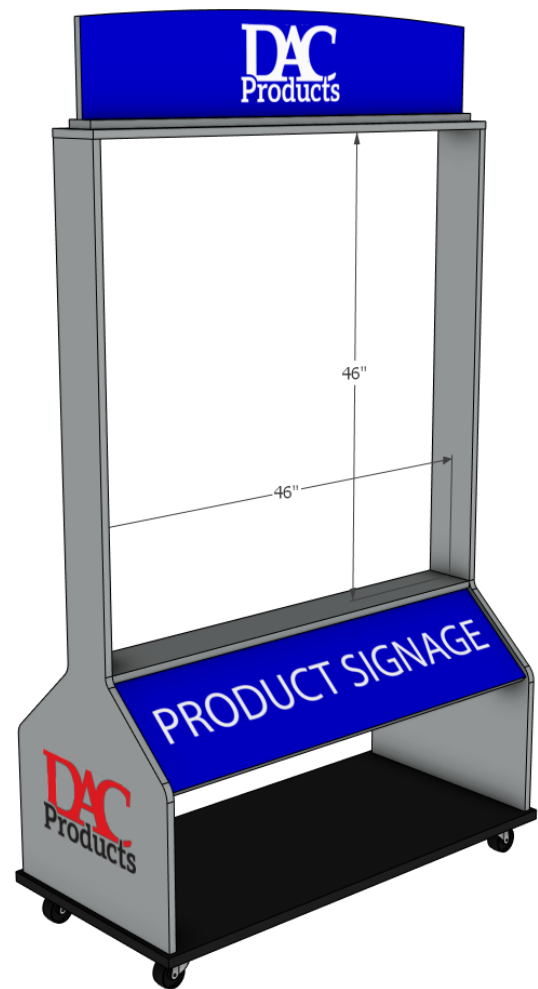

We work with manufacturers, franchises and retail networks to establish pre-determined display/fixture options. Doing so helps organizations like yours maintain brand standards and eliminate unnecessary headaches.

Standard “Forum” Displays

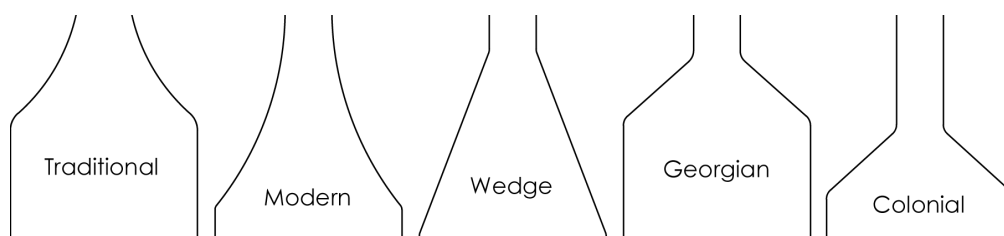

~\$599 as shown

~\$699 as shown

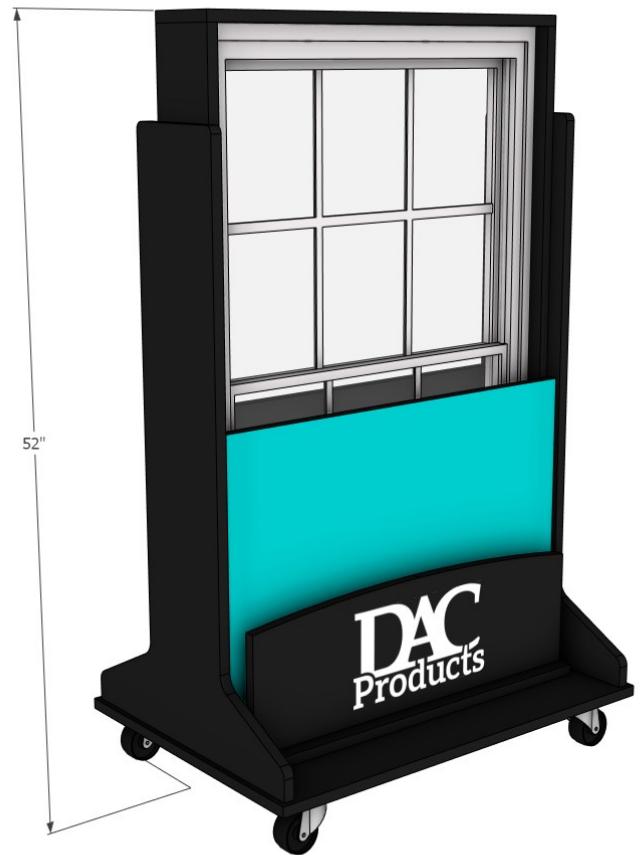

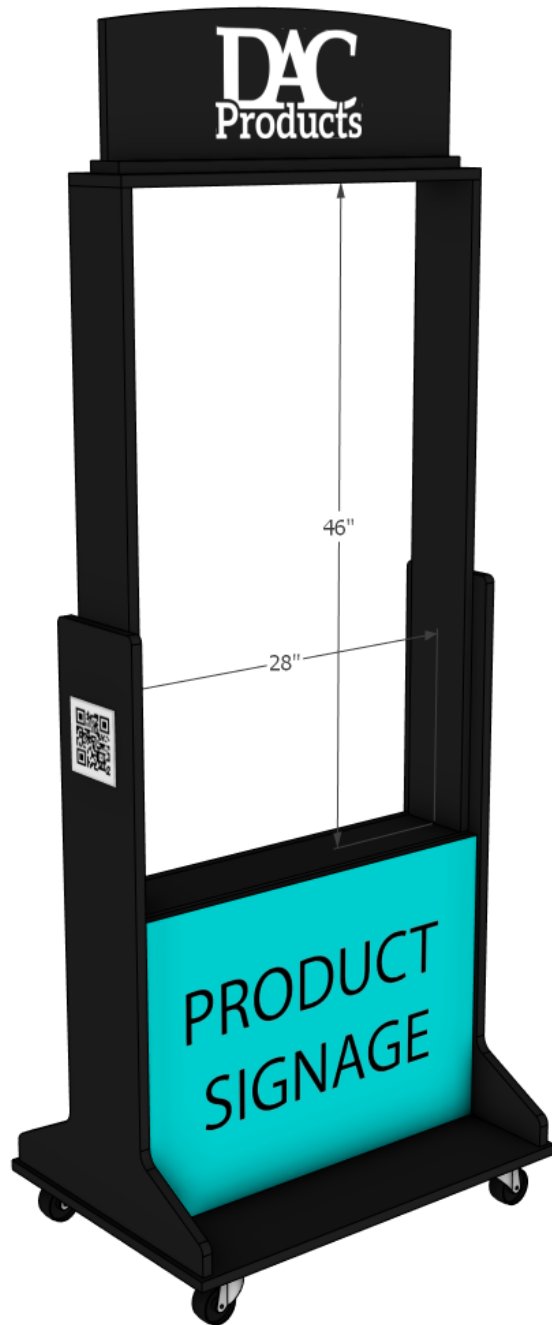

Simple, flat-packed displays intended for block frame samples. Constructed with 3/4" particleboard-core melamine by default. Upgrade to 1" melamine (\$\$) or 3/4" laminated plywood (\$\$\$).

Wrapping Up...

Payment Options

We accept all major Credit Cards, Debit Cards and ACH via secure payment link or key entry by phone. You are required to pay the 'Total' quoted amount when ordering, unless you have a terms agreement. High-volume, recurring customers can apply for payment terms. Please contact Customer Service if you qualify and are interested in establishing an account.

Lead Time

All displays shown in this catalog are built to order and have an average lead time of 4 weeks. If a rush order is requested there will be a fee based on your requested timeline.

Shipment Defaults

Unless otherwise arranged, your order will ship FOB Origin via common carrier freight from 625 Montroyal Rd. Rural Hall, NC 27045. We utilize various freight brokers and carrier options to provide the best-cost transit scenario for each shipment. Feel free to arrange your own logistical services and/or coordinate customer pickup as an alternative. Freight costs are not included in the price of any product.

Receiving Procedure

Open and inspect all packages for damage immediately upon receiving and prior to signing the delivery receipt. Note any damage to the packaging and product on the delivery receipt before the driver leaves. If damage is found notify DAC immediately and save all packing materials, including inner and outer boxes. We require pictures of the damaged product and packaging. Any damage not claimed and reported immediately upon receiving becomes the responsibility of the customer.

Disclaimer

Unless otherwise stated, all products are intended for indoor use only. Any deviation from assembly instructions or modification to our products removes DAC Products, Inc. of all liability. Unless otherwise arranged, your order will be held at no charge for 30 days after invoice. Storage fees will apply if your order remains at our facility beyond the 30 day holding period. DAC Products, Inc. is not responsible for incorrectly specified product display openings once confirmed on your Sales Order.
